Here is a list of potential articles. Questions:

- 2: The Donohoe land; if this was accepted back in 2008, are there new terms requiring a new article?
- 5: The Walker land; I have no backup material on this. A better title would be helpful.
- 10: This is something Eva gave me a while back. I am not sure what it provides us.
- 11/12: I am not sure what two unions we may have settlements with.

Mark:

With respect to 2 – yes, a new Town Meeting vote is needed to acquire land that was not within the 2008 grant. We will discuss 5 with the BOS tonight.

Best,
Nina
